

NEEDLE FELTING EXTRAVAGANZA

Icons & Totems & Pieces of the Past by Moxie
The Unnatural History Museum by Hine Mizushima
Strangeland by Kit Lane
Fractured Fairy Tales by Yoko Nomura

Beginning March 3rd, gallery hanahou will host a group show of needle-felting works by four artists who are shaping the medium in significant ways: Moxie, Hine Mizushima, Kit Lane, and Yoko Nomura.

Using wool and basic tools, these artists have created worlds and creatures that defy conventional ideas about the craft. The exhibition will be comprised of four mini solo shows that express each artist's personal sense of humor, wonder, or adventure through soft sculpture.
